

BASIC STUFF:

I've lived in Fort Collins all my life; I graduated from Poudre HS in 2001 (Go Impalas!) and I began my time with First Baptist in January of 2008, leading worship for Flipside on Wednesday nights while developing a love for high school ministry at the same time. I love to play music, to listen to music and to help to develop in others those same passions. I can't wait to see the Flipside students' passion for ministry explode through student-lead worship, service to their peers and through reaching out for the people around them who haven't ever experienced community in Christ

PERSONAL VISION:

That students would discover within themselves what the Lord has set each of them aside to do with their lives and to then use those skills, talents and gifts to honor Him in reaching out in love to others

EDUCATION:

B.A. Elementary Education w/ teaching endorsement – Colorado Christian University
