

Noah Myers - Intern

I was born and raised in a strong Christian home in Fort Collins. I committed my life to Christ at the early age of six years old and have been highly involved in my church for most of my life. I graduated from Fossil Ridge High School in 2007 and continued on to Capernwray Bible School, a one year college in Lancaster England. I became involved at First Baptist when I returned in 2008 and began attending Front Range Community College. I am currently finishing at Front Range and beginning classes at CSU.

I feel a strong calling to full time ministry and am extremely excited to be a part of the FBC staff. I hope to see God stretch me, grow me and use me in amazing ways in this next year. I hope that I can challenge those around me during my time here to grow deeper in their walk with the Lord and hope they will do the same for me.

P..S. I am currently looking for a strong Christian woman who will be willing to put up with me.
