

Steve Paxton

BASIC STUFF:

Carol & I met at a Baptist Student Union at East Texas State University in 1981 and were married two weeks after we graduated in 1983. A week later, I went to work at Hewlett-Packard in the Dallas area. We lived there until 1996, when HP moved us out to Fort Collins. We brought with us our three daughters and two cats. We enjoy taking walks with our dogs and watching our kids grow up.

I am pastor's kid and after 23 years in the business world, I was blessed with being laid off and God providing an opportunity to join FBC as a full-time staff member. The path has never been a straight line, but God has been with us every step.

PERSONAL VISION: To never stop growing in my love for God, finish the race serving God, and seeing my family in heaven.

EDUCATION: B.S. in Computer Science & Math at East Texas State University. Bible Study Fellowship (BSF) for 8 years, HP & Agilent for 23 years.

Interests and Favorites

- **Places:** Anyplace I'm building or fixing something, home watching a movie with my family, and wherever my kids are performing or playing
- **What's on your iPod:** If I had one, a wide variety of secular and Christian music, from rock & roll to pop rock to rap to easy listening; and audio books.
- **Books:** Action adventure novels, books on leadership, and learning about yourself. I enjoyed the Left Behind series and True North.
- **What do you TiVo:** No TiVo, still using VCR... Heroes, Amazing Race, So You Think You Can Dance (my wife and daughters love it!)
- **Sport Teams:** My daughter's soccer team, Dallas Cowboys, Denver Broncos, Pittsburg Steelers, Dallas Mavericks, Denver Nuggets
- **Movies:** Rocky movies, anything with A'nold, Back to the Future trilogy, Bourne trilogy, anything done by Disney & Pixar together, Star Wars, Indiana Jones, Lord of the Rings, on and on and on... Action adventure, comedy, etc, etc... I've seen a bunch of chick flick movies... wonder why ☺
- **Hobbies:** building and fixing things... love to work with wood, solve problems, fix things. Mission trips to build things have been awesome. Coaching soccer and exercising.
- **Dislikes:** Pecans, walnuts, and other "bitter" nuts. Coconut.
- **Odd Facts:** I had an aunt that was first married to my father's brother and then to my mother's brother. In 2007, all three of my daughters turned the age of their birthday (14 on the 14th, 18 on the 18th, 19 on the 19th) and I turned twice my age of my birthday.
- **Life Scripture:** I don't really have one, but this could be it: However, I consider my life worth nothing to me, if only I may finish the race and complete the task the Lord Jesus has given me - the task of testifying to the gospel of God's grace. Acts 20:24 NIV
